The term “Superintendent” shall refer to the responsible administrative head of the Shaker Regional School District.

The term “Principal” shall refer to the responsible administrative head of a particular school.

The terms “Bargaining Unit Member” and/or “Teacher” shall be used interchangeably and not intended to eliminate or exclude any position named in Article I-A, nor is it intended to include any position not named in Article I-A.

Whenever the singular is used in the Agreement, it is to include the plural.

## ARTICLE II – RIGHTS AND RESPONSIBILITIES

- A. The purpose of this Agreement is to allocate among the parties, rights and responsibilities not covered elsewhere by law.

By this Agreement neither party relinquishes the authority and responsibility vested in it by existing statutes. Both parties agree that, in the event of conflict between statutory and contractual obligations, the laws of the United State of America and/or the State of New Hampshire shall prevail.

- B. The Board, subject only to the language of this Agreement, reserves to itself full jurisdiction and authority over matters of management and policy including the power to: (a) direct and manage all activities of the school district; (b) to direct the work of its employees; (c) to hire, promote, demote, transfer, assign or retain employees to positions within the public agency; (d) to suspend or discharge, demote or transfer employees for proper cause; (e) to maintain the efficiency of governmental operations; (f) to relieve employees from duties because of lack of work; (g) to take actions as may be necessary to carry out the mission of the agency in emergencies; and (h) to determine methods, means, and personnel by which operations are to be carried on.

The parties understand that neither the Board nor the Superintendent may lawfully delegate powers, discretion's, and authorities which by law are vested in them, and this Agreement shall not be construed so as to limit or impair their respective statutory powers, discretion's and authorities.

- C. The Association is the exclusive representative of the Bargaining Unit and no actions will be taken by the Board or its agents to abridge this right. The Board recognizes the need for effective communication between the Association and its members, the right of the Association to speak publicly on behalf of its members, and the need for prompt and reasonable resolutions of issues raised by the Association whether matters of law or contract.

Under the terms of this Agreement, the Association and its members are understood to enjoy the same right and access and use of District facilities as are extended to individual employees of the District, within reasonable guidelines established by the Principal.

1. The Association may be provided with the use of local phone service, a mailbox, electronic mail, internet service and for instructional purposes, the use of office

reproduction equipment. Any cost incurred by use of telephone or school equipment for Association business shall be borne by the Association.

2. The Association and its representatives may have the right to post notices of activities and matters of Association concern on teacher's bulletin boards in the teacher's room. The Association may use teacher's mailboxes for communication.
3. The Association may be given an opportunity at faculty meetings and new teacher orientation programs to present reports and announcements.
4. The Association and its representatives may have the right to use the school building for meetings and to transact Association business on school property. The use must be within the hours when custodians are regularly employed and conform to school board building use policy.
5. Reproduction equipment owned by the District may be used for Association purposes provided that such use does not conflict with District needs to use equipment and results in no cost to the District.
6. The Association shall be given 4 leave days per year. These days are to be distributed at the discretion of the Shaker Regional Education Association Executive Board and are to be used by executive members or committee chairperson of the SREA for meetings or conferences.

These days do not accumulate and are not to be compensated for if not used. All days must be approved by the Superintendent prior to leave. Notwithstanding the provisions of this Agreement, the Association reserves to itself and its members the rights available under the law of the State of New Hampshire.

## **ARTICLE III – TERMS OF EMPLOYMENT**

### **A. LENGTH OF SCHOOL DAY**

The length of the school day is defined as follows:

BHS and BMS	7 hours
BES and CES	6 hours and 40 minutes

The length of the school day is defined as follows:

In addition to the length of the school day as defined above, bargaining unit members shall be in their classroom as least five (5) minutes before the beginning of the school day and shall remain available to students and parents for thirty (30) minutes after the termination of classes each school day. On the day before a holiday break and extended breaks, bargaining unit members shall remain available to students and parents for ten (10) minutes after the termination of classes. On Fridays before a regular weekend, bargaining unit members shall remain available to students and parents for twenty (20) minutes after the termination of classes. Any teacher with an

assigned duty must fulfill that duty. Bargaining unit members assigned to grades K-12 shall have one preparation period per day for planning, grading, and other professional duties. However, when determined to be necessary by the Principal, bargaining unit members may be assigned to substitute for other teachers, to supervise the cafeteria at lunch-time, to attend committee meetings, assemblies, conferences with members of the administration or public and to perform other school-related functions during normal school hours.

Bargaining unit members assigned to grades 7-8 shall not be required to carry more than six (6) teaching periods per day, although teachers may volunteer to do so. Bargaining unit members assigned to grades 9-12 shall not be required to carry more than three (3) block teaching periods per day.

Bargaining unit members may also be assigned to attend scheduled departmental, school or staff meetings, PTA meetings, parent-teacher conferences and similar meetings and conferences which may be held outside normal school hours. All such assignments set forth above will be made in a reasonable and professional manner and shall not be applied in a manner which requires an unreasonable or excessive amount of time for each bargaining unit member.

The District shall use its best efforts to schedule part-time bargaining unit members to work in a continuous and uninterrupted block of time except when such scheduling is not in the best interest of the students.

## B. LENGTH OF SCHOOL YEAR

The normal school year shall contain a maximum of 178 classroom days and 6 non-instructional workshop days. Parent-teacher conferences in the elementary and middle schools will be credited toward the equivalent of one non-instructional day for bargaining unit members in those schools and the January term change-over at the high school will be credited toward the equivalent of one non-instructional day for teachers in that school.

Those employees who do not attend the district workshops may attend other educational workshops, or work in their classrooms for the same number of hours, with prior approval.

The school calendar including both instructional and non-instructional days will be developed after input from the bargaining unit.

## C. PERSONNEL FILE

Each employee shall have the right to receive an electronic copy of his/her personnel file, provided that 24 hours' notice is given. This notification factor may be waived by the Superintendent in the event of an emergency. It is understood that any cost incurred for reproduction of file contents on District printers or copiers shall be

borne by the employee.

#### D. USE OF PHONE, MAILBOX AND OFFICE EQUIPMENT

Within reasonable guidelines established by the Principal, each teacher may be provided with the use of local phone service, a mailbox, and for instructional purposes the use of office reproduction equipment. Any cost incurred by use of telephone or school equipment for teacher's personal business shall be borne by that teacher.

#### E. SUBSTITUTE TEACHERS

The Board agrees to make a reasonable effort to secure the services of substitute teachers who are not members of the Bargaining Unit; and further recognizes as a result of a Pandemic and other workforce issues the population of substitute and/or certified teachers available is not sufficient to accommodate the needs of the District. Educators, as recognized in the SRSD-SREA Collective Bargaining Agreement, are being asked to cover more than in the past. Due to these extenuating circumstances, the District is willing to compensate educators for covering during their preparation time for teacher absences due to sick leave, FMLA, or leave due to break of contract as follows:

- Compensation payment is established at \$30.00/hour for loss of preparation time only.
- Substitute coverage time will be rounded to the nearest quarter hour using a seven-minute rounding rule (e.g. 37 minutes = 45 minutes of compensation; 36 minutes = 30 minutes of compensation).
- Coverage includes: active teaching; lesson planning or class-related assessment; assuming the absent teacher's responsibilities of grading and data input, contacting parents, attending parent meetings.
- Coverage time will be turned in on a bi-weekly time card.
- Coverage time for periods extending beyond five (5) consecutive days needs Superintendent approval.
- Educators may not volunteer for substitute coverages during an assigned duty period. They may volunteer for coverage during their preparation time.
- Administration will utilize an equitable distribution of assignments among available educators when multiple individuals volunteer to provide substitute coverage.

#### F. TEACHER NON-RENEWAL

Teacher non-renewals shall be in accordance with RSA 189:14-a. Teacher dismissals shall be in accordance with RSA 189:13. No teacher who has taught for five (5) or more consecutive years in the District, or a teacher who has taught three (3) consecutive years in this District after having completed a probationary period of five (5) or more

consecutive years in another New Hampshire district, shall be dismissed or not be re-elected or re-nominated without cause.

#### G. LEAVING THE BUILDING

Bargaining unit members may leave the building for such purposes as library use, course preparation, or other professional responsibilities during the normal teachers' work day provided that bargaining unit member signs in and out using the log to be provided by each school.

#### H. PERSONNEL VACANCIES

A notice of personnel vacancies will be emailed to each Shaker Regional School District employee as the openings occur. Prior to August 1<sup>st</sup>, such notice shall be at least two (2) full weeks prior to the final date set for acceptance of applications for the interview process. Whenever feasible, at least one teacher from the appropriate department or grade level will be included in the interviewing process.

#### I. DIRECT DEPOSIT

Each bargaining unit member will be entitled to select payroll direct deposit to any one or more banking institutions s/he chooses. Additionally, each bargaining unit member will be entitled to select any annuity plan with any company that has signed as a participating member of the District's plan. Employees shall be responsible for their individual participation fees that may be incurred for their plan.

#### J. TEACHER CONTRACT

The annual teachers' contract shall be delivered to the Association members by April 15 (or a suitable explanation in writing if contracts are to be delayed for any reason).

#### K. REDUCTION IN FORCE

Reduction-in-Force: The decision to implement Reduction-in-Force and select programs to be reduced shall be made at the sole discretion of the School Board. The Board will make every reasonable effort to minimize the effect of a Reduction-in-Force on the current staff by absorbing as many positions as possible through attrition (retirement, resignation).

Whenever it is necessary to lay off Bargaining Unit personnel for reasons of reduced enrollment or program reduction, or elimination due to budget cuts, the lay-off procedure will combine a teacher's seniority rights and evaluation rating.

A Reduction-in-Force will be determined by the following criteria:

1. A teacher with 0-3 years experience in the District has no seniority rights.
2. A part-time teacher (i.e. 1/5, 1/2) may accumulate his/her time and be awarded the equivalency in years.

3. A teacher's year-end evaluation is based on the following ratings and categories:

	Distinguished (9)	Proficient (6)	Basic (3)	Unsatisfactory (0)
Planning and Preparation				
Classroom Environment				
Instruction				
Professional Responsibilities				

Total: \_\_\_\_\_ (Scale 36 – 0)

Categories: All Distinguished = 36

Distinguished	A. 33 – 36
Proficient	B. 22 – 32
Basic	C. 15 – 21
Unsatisfactory	D. 0 – 14

4. A teacher's evaluation rating shall be an average of his/her last three years in district.
5. A teacher in category A may displace a teacher in category B, C, D.  
A teacher in category B may displace a teacher in category C, D.  
A teacher in category C may displace a teacher in category D.
6. Within the categories, a teacher with the most in-district year of seniority has seniority rights.
7. A teacher with multiple certifications may displace another teacher in a different department or grade level only under these conditions:
  - a. The displacing teacher has at least 3 years of experience in the district in the area of certification under which they will be teaching
  - AND
  - b. The to-be-displaced teacher is in a lower evaluation rating category or
  - c. The to-be-displaced teacher is in the same evaluation rating category and has fewer years in the district.
8. In case of a tie (i.e. teachers in the same category and the same number of years in the district), the decision shall be made by the Administration, in the order of priority as follows:
  - a. Date of nomination;
  - b. Date of contract signature;
  - c. Lottery.
9. If a teacher is dissatisfied with the summative evaluation in the year of a Reduction-in-Force, he/she may request a second evaluation and/or request a different administrative evaluator within the district. Such process would include,

but not be limited to, at least one classroom observation to replace the lowest previous observation made within that school year and a thorough review of all elements in the annual summative evaluation.

The District must reinstate appropriately certifiable personnel in inverse order of their being laid-off (last one fired becomes first one re-hired), with no loss of credit for previous years of service. Reinstatement rights shall remain in effect for three years after the Reduction-in-Force. A previously employed teacher who returns to a teaching position within a three-year period shall resume employment by the District at not less than the step previously held.

The District shall notify affected personnel and the Association as early as possible. The notice to the Association and the affected employee(s) will include reasons for the Reduction-in-Force and reasons for the selection of the particular employee(s).

Certified personnel laid-off must annually, by March 1, or such other times as appropriate, advise the Superintendent's Office in writing of their current address and availability for employment. If a laid-off employee refuses an offer for re-employment in the area for which he/she is qualified, the employee shall forfeit his/her rights to re-employment under the conditions of this section.

#### L. EVALUATION PROCESS REVIEW

A committee consisting of teachers and administrative representatives will study the evaluation process and make a report of findings to the SREA and the Shaker Regional School Board, by August 1 of the final year of the CBA. The committee's report will be non-binding.

#### M. LIQUIDATED DAMAGES

It is understood between the parties that teacher contracts are not optional agreements nor are they one-way agreements terminable at will by either party. Liquidated Damages for breaking a teacher contract on or after July 1st shall be \$2,500.00. The Superintendent may waive liquidated damages when deemed necessary and appropriate.

### ARTICLE IV – GRIEVANCE PROCEDURE

- A. The purpose of this article is to provide for a mutually acceptable method of prompt and equitable settlement of grievances arising under the terms of this Agreement.
- B. A grievance is defined to be any dispute or complaint between the District and the Association, or any employee or employees covered by this Agreement, relating to the application of the terms of the Agreement.

- C. The parties agree that every effort will be made to settle grievances at the lowest possible level. However, should a grievance not directly involve the principal but directly involve the Superintendent or a District-wide issue, the grievance procedure will start at Step Two set forth at Article IV-G.
- D. Notwithstanding any provision of RSA 273-A to the contrary, an individual employee or group of employees may process a grievance through the grievance procedure without representation by the Association. However, an Association representative will be permitted to attend at all steps.
- E. **Informal Step.** An employee must informally discuss a grievance with his/her Principal within twenty (20) work days after the employee knew or should have known the act or condition upon which the complaint is based. In the event a grievance is filed on or after June first (1st), the parties agree to make a good faith effort to reduce the time limits set forth herein so that the grievance procedure may be completed prior to the end of the school term, or as soon thereafter as is practicable.
- F. **Step One.** In the event a mutually acceptable resolution of the problem is not reached by the informal step above, a grievance may be submitted to the Principal for his/her formal consideration. Said grievance must be in writing and must be submitted within ten (10) work days from the conclusion of the informal step. The Principal will schedule a hearing within ten (10) work days of the receipt of the written grievance and a decision in writing will be presented to the grievant within ten (10) work days of the hearing.
- G. **Step Two.** If the grievant is dissatisfied with the decision rendered by the Principal, or if the Informal Step and Step One have been bypassed in accordance with the provisions of Article IV-C, a written request for a hearing may be submitted to the Superintendent. Said request must be in writing and must be made within ten (10) work days of the decision of the Principal in Step One above. The Superintendent shall schedule a hearing to be held within ten (10) work days of the receipt of the request and shall render a decision in writing in ten (10) work days of the hearing.
- H. **Step Three.** If the grievant is dissatisfied with the decision of the Superintendent, s/he may request a hearing before the School Board. Said request must be submitted to the School Board within ten (10) work days of the decision of the Superintendent. Upon receipt of said request, the School Board shall schedule a hearing before the full Board. The hearing shall be held within ten (10) work days of the receipt of the request and a decision of the full School Board will be issued within ten (10) work days of the next regularly scheduled School Board meeting.
- I. **Step Four.** If, subsequent to the Board's decision, the Association feels that further review is necessary, the Association shall so notify the School Board within ten (10) work days of the decision of the Board and request arbitration, such request to

reasonably detail the specific nature of the dispute and the remedy requested. The Association and Board shall communicate promptly to choose the arbitrator no later than ten (10) work days from the date of the demand for arbitration. If a mutually agreed upon selection cannot be made within such ten (10) work day period, then either party may file the demand for arbitration with the American Arbitration Association and selection shall be made in accordance with the Labor Rules of the American Arbitration Association.

The Arbitrator shall have no power to add to, subtract from, modify, or disregard any of the provisions of this Agreement. The Arbitrator shall have the authority to frame the question(s) submitted for arbitration, to make an award, and to fashion the appropriate remedy. In the event the District submits a question regarding the arbitrability of the asserted grievance to the Arbitrator, the Arbitrator shall first decide that issue and determine whether to hear the substance of the case. The Arbitrator shall not be automatically disqualified from hearing the substance of the case by reason of determining arbitrability.

Each party shall bear the expense of its witnesses and for preparing and presenting its own case. The compensation and expenses of the arbitration and the Arbitrator shall be assessed by the AAA and the Arbitrator and shall be shared equally by the Board and Association. The Board and the Association agree to abide by the decision of the Arbitrator, which is final and binding on all parties.

## **ARTICLE V – LEAVE**

### **A. NON-CUMULATIVE LEAVE**

Teachers shall be entitled to leave as follows:

1. Sick/Bereavement Leave: Teachers will be entitled to a maximum of nine (9) days of non-cumulative leave per year. Sick leave shall be confined to the personal illness, injury or health care of the employee or an immediate family member or death in the family. Immediate family is defined as spouse, significant other, children, parents, siblings, grandparents, wards and any other member of the family living in the employee's household. Employees are also eligible for leave for the same relative of the employee's spouse or significant other.
2. Personal Leave: A teacher will be entitled to a maximum of three (3) days of non-cumulative personal leave per year.

Request for personal leave shall be in writing and submitted to the building Principal with at least five (5) working days prior notice whenever possible. The Building Principal shall evaluate the request in terms of the effect on his/her school and make a recommendation to the Superintendent of Schools. Approval

or denial by the Superintendent will be in writing to the employee. Approval may be granted retroactively at the discretion of the Superintendent. Although verbal approval may be granted by the Principal in an emergency, a request form must be submitted to the Superintendent within three (3) work days upon return from the leave. Requests for Personal Leave may not be used to extend holidays and/or school vacation periods. Any day or period of consecutive days immediately preceding or following holidays or school vacations, or during the first or last five (5) days of the school calendar shall be unpaid, the dollar value of each lost day based on a pro rata of all required teacher work days. Special circumstances may require faculty to request paid leave during the first or last weeks of the academic year. Verifiable requests for paid leave, satisfactory to the Superintendent, during this time period will be forwarded to the Superintendent as far in advance as possible.

Bargaining Unit Members shall be entitled to carry over a maximum of one (1) unused Personal Day each year, to allow for a maximum of four (4) personal days for the start of the following year.

Bargaining Unit members who are less than full-time will receive leave prorated based on their FTE.

#### B. JURY DUTY

A teacher who is called for jury duty or to respond to a subpoena to appear in court shall be compensated by the District at his/her per diem wage. The District will submit a letter to the court indicating the teacher is exempt from jury duty pay. No leave time shall be charged to short or long term leave for jury duty.

#### C. CHILD CARE LEAVE

Child care leave without pay for either natural or adoptive parents shall be granted upon receipt of written request for such leave. Notification of the desire to take such leave shall be made to the Principal at least thirty days prior to the date on which the leave is to begin. In case of emergency, approval may be obtained retroactively. (The length of child care leave must be determined prior to the initiation of the leave and shall be granted for up to one calendar year). At the conclusion of the leave, the teacher shall be reinstated to the same or a comparable teaching position.

#### D. NEW PARENT/GUARDIAN/FOSTER PARENT LEAVE

Employees are entitled to an 8-week continuous period of leave to spend time caring for a newborn, newly-adopted, or upon becoming a guardian or foster parent. Said leave shall begin on the date of birth, adoption, or placement of the child and shall be paid from available leave. The employee shall notify his/her immediate supervisor in writing, with a copy to the District Office, of their intent to take this leave.

#### E. OTHER LEAVE

The School Board may grant leave requests for any other purpose with or without pay at its discretion.

#### F. FAMILY MEDICAL LEAVE ACT (FMLA)

Leave for family and medical purposes will be granted, and shall comply in all respects with the Family and Medical Leave Act ("FMLA"), public law 103-3 (Feb. 5, 1993), its subsequent amendments and all associated regulations. The FMLA is not to be construed so as to derogate or diminish the rights and benefits set forth in this agreement, and any employee taking leave pursuant to this agreement, which also qualifies as FMLA, will have such leave count against the employee's FMLA leave entitlement.

#### G. LONG-TERM LEAVE

An illness or accident extending beyond five work days designates a long-term illness. After the fifth day of absence related to the illness or accident, all leave associated with the illness or accident shall be taken from accumulated leave. Full-time employees in the Bargaining Unit will be entitled to long-term cumulative sick leave at the rate of 15 days per school year to a maximum of 120 days. Sick leave shall be accumulated on the basis of two days per month starting on September 1st of each year in accordance with the maximum above. Employees taking leave under this section may be required to furnish the District with proof of illness in the form of a certificate from an attending physician. A certificate from the attending physician authorizing the return to work shall be provided prior to the employee returning from leave taken under this section. Bargaining unit members who are less than full-time will receive leave prorated based on their FTE.

Teachers shall be given a written accounting of their accumulated sick leave on their regular pay statement.

### **ARTICLE VI – SICK LEAVE BANK**

The Short Term Sick Leave Bank shall be administered by a committee composed of four members of the Association elected by the SREA membership, hereinafter called the Sick Bank Committee. Each Committee member shall serve the term of the Collective Bargaining Agreement, or until a successor shall be elected. A majority of the members present shall constitute a quorum and a majority vote of those present and voting shall decide all questions. Each teacher wishing to be covered shall agree as required by the Committee in writing to donate one (1) of the nine (9) sick leave days allowed in a one-year period under Article V-A, to be deposited into said bank, such day to be deducted from the teacher's sick leave time. The Committee shall inform the Superintendent in writing of those members wishing to participate by September 30th. Enrollment in the bank may not be modified during the contract year.

After a teacher has exhausted all nine (9) days of sick leave time, the teacher may then apply to the Short Term Sick Leave Bank if additional time is needed. All requests to the Sick Bank Committee must be in writing and must be submitted no later than one week after the requested date(s). The Committee will be responsible for reporting all decisions to accept or deny Short Term Sick Leave Bank time request within two weeks of the written request.

## **ARTICLE VII – COMPENSATION**

### **A. SALARY SCHEDULE**

All employees shall be paid according to the salary schedule in Appendix A.

### **B. SALARY INCREASES**

Salary raises and increments are not automatic, but will be awarded where there has been a demonstration of improvement or growth in teacher, or generally satisfactory performance. The evaluation of teacher growth and efficiency shall be the responsibility of the Superintendent. Increments shall be awarded only by action of the School Board on recommendation of the Superintendent. Increments will be not unreasonably withheld.

Salary adjustments may also be given by the School Board for additional credits earned toward staff development and/or additional or higher degrees. Undergraduate courses will not be counted for advancement on the salary schedule unless they are part of a professional development plan and approved by the Superintendent. In order to qualify for track change movement, a teacher must submit written notification of the potential track change to the Superintendent no later than November 15th of the fiscal year prior to the change. Movement on the track will only be awarded on the first pay check of the new school year and on the first pay check immediately following February 1st of that school year and shall not be retroactive.

### **C. PREVIOUS EXPERIENCE**

Employees with previous experience who are brought into the system shall be placed on the salary schedule at a place commensurate with their experience as determined by the School Board based on recommendations by the Superintendent, and shall progress from that point. Beginning in 2020-2021 newly hired employees who have more than 10 years of previous experience will be placed on Step 10 of the salary schedule and be provided an off-step adjustment equal to one-half (1/2) the Top of Scale adjustment for each year of previous experience beyond 10 years.

### **D. SALARY PRORATION**

Whenever it is necessary to pro-rate a salary, it will be done on the basis of dividing the salary by 184 days.

## E. CO-CURRICULAR ACTIVITIES

The addition or elimination of all co-curricular activities is solely the responsibility of the School Board based on the needs and interest expressed by the students, parents, taxpayers, and administration as well as those of teachers. Employment of a member of the Bargaining Unit in a co-curricular capacity is coincidental with and not integral to employment under this Contract. Positions or activities outside the regular curriculum will be added or eliminated from Appendix B at the sole discretion of the School Board. An Appendix B study committee, comprised of up to 4 Association appointees, 1 from each building, and up to 3 Administration appointees, one of which must be a Board member, shall meet by September 30th of each year to review any charter organization(s) that have been approved by the Board. The committee will prepare and submit a non-binding recommendation to the Board no later than October 15th for potential placement on Appendix B for the following school year. The committee will also make non-binding recommendations of Appendix B placement changes to the negotiations team by September 30th of the year immediately preceding the contract end date. The Board shall fund an amount for annual co-curricular, club and advisory benefits as shown in Appendix B. Those positions shall be paid, by categories, the percentage times the current Bachelor's salary at first step.

## F. SALARY PAYMENTS

1. Employees may select one of two methods of salary payment. Once an employee has made a choice prior to the opening of school, s/he will remain with said choice for the contract year.
  - a. Salary pro-rated over 52 weeks with 23 payments, plus a lump sum of 4 payments at the end of the school year.
  - b. Salary pro-rated over contracted period of 42 weeks with 23 payments. The 23rd pay will be distributed at the end of the school year.
2. Employees will be paid every other Thursday beginning with the next regular payroll following the teachers return to school.

## ARTICLE VIII – FRINGE BENEFITS

### A. FRINGE BENEFIT COVERAGE PERIOD

The Board shall provide fringe benefit coverage based on a twelve-month period consistent with the terms and conditions of the individual carrier. The Board shall maintain returning staff on the fringe benefit plan(s) during July and August; however the Board's contribution toward the health insurance plan(s) is contingent to the employee returning to work at the District. In the event that an employee resigns during July or August, the employee will not be eligible for any Board contribution toward health insurance plan(s) and will be retroactively dropped from the Board's coverage effective the previous June 30.

**B. PROVISION OF FRINGE BENEFITS**

Fringe Benefits under this Agreement shall be provided for full-time employees throughout the current school year, irrespective of absence due to illness or injury. Part-time teachers will receive fringe benefits in proportion to their share of the full-time position whenever possible.

**C. LIABILITY INSURANCE**

Liability Insurance: The District will provide liability insurance for all Bargaining Unit members in accordance with the provisions of the District’s liability insurance policy.

**D. GROUP TERM LIFE INSURANCE**

The Board shall pay 100% of the premiums to provide group life insurance (including accidental death and dismemberment) protection equal to the employee’s annual salary.

**E. HEALTH & MEDICAL BENEFITS**

The District agrees to make available to Bargaining Unit members health and medical benefits upon the following terms and conditions:

1. For full-time employees:

The District shall pay the following percentage amounts each year toward the Health Insurance Premium or the Plan Contribution based upon the SchoolCare HMO (Open Access) \$30 Office Visit, \$10/\$30/\$65 Rx Premium Rates	
Plan	Annually
Single	85%
Two-Person	85%
Family	85%

The coverage period shall be July 1 through June 30, in accordance with the terms and conditions of the carrier. The District will pre-pay the insurance premiums for returning employees during July and August and the Employee’s share of Health Insurance shall be deducted through payroll deductions during the school-year pay. Any Employee who resigns or is hired during the coverage period will be provided a prorated district contribution and the employee will be responsible for any balance.

Selection of a health insurance carrier and the terms and conditions of the health insurance policy shall be made by mutual agreement. Upon any change to a new provider, any savings in health and medical insurance shall result in an equitable sharing of savings between the District and the Bargaining Unit in the first year

of the new plan. To facilitate this sharing of savings, the parties shall meet to determine the distribution of the Bargaining Unit share of savings. Total savings shall be calculated based on July 1st enrollments, exclusive of Buybacks and COBRAs, multiplied by the new plan rates and compared to the July 1<sup>st</sup> enrollments, exclusive of Buybacks or COBRs multiplied by the corresponding years' rates. The total savings shall then be multiplied by 50%, and that portion shall be used for distribution to Bargaining Unit members under the new plan.

In addition, any full-time Bargaining Unit member who elects not to take said health insurance through the District shall be entitled to a lump sum payment of \$2,500 upon the signing of a waiver of health insurance, which waiver will contain a provision for prorated reimbursement to the District if the Bargaining Unit member subsequently elects to take such insurance, and providing proof of an employer-sponsored health insurance plan through a spouse or significant other. Part-time employees who qualify for health insurance shall be entitled to a prorated payment in relation to their part-time employment status. Said payments shall be included in the first pay check in December, with all applicable taxes and retirement deducted.

2. For each part-time employee who works 60% or more hours of a Full-Time Equivalent (FTE), such employee shall be eligible for pro-rated health insurance and other fringe benefits with the District contribution for such benefits being calculated upon such FTE proration.

#### F. LONGEVITY COMPENSATION

The District will provide longevity compensation after the completion of 10 years of service in the District at the rate of .5% of the respective year's Bachelor base salary for each year of service within the District. Each year's longevity compensation shall be paid in one lump sum and shall be included in the first pay check in December.

#### G. SEVERANCE

Any full-time member of the Shaker Regional Bargaining Unit employed under the contract after the completion of the 2008-2009 School Year is eligible for the benefits under this section. Additionally, full-time members of the Shaker Regional Bargaining Unit who qualify for Separation based on hire date, but do not qualify for Separation based on a minimum of 20 years of service will be eligible to receive this benefit. In no case will an individual be eligible to receive benefits under both the Severance and Separation Articles.

Employees who have taught 15 or more years in the Shaker Regional School District immediately prior to severance will receive \$5,000.

Payment will be processed on the first payroll in July and shall have all applicable taxes and retirement deducted.

Employees shall have the opportunity to purchase continuation of health, dental, and life insurance. Employees shall be able to appropriate sums from the severance payment toward the total cost of these benefits for the first year.

The limit on the number eligible for the severance pay provision in any single year will be six (6). In the event more than six (6) employees apply, the plan shall be limited to the six (6) most senior applicants. Seniority shall be determined first by age, then by years of service in the Shaker Regional School District, then by birth date. The Shaker Regional School District, at its discretion, may approve additional applications for this provision.

#### H. TUITION ASSISTANCE

The District will pay the cost of tuition as follows:

Bargaining Unit Members on Step 5 or below on the BA or BA+15 Track may receive up to twelve (12) credits at the UNH Graduate Course Rate; all other Bargaining Unit Members may receive up to nine (9) credits at the UNH Graduate Course Rate, for courses taken through an institution with accreditation recognized by the U.S. Department of Education (USDOE) and approved by the Superintendent. Application for approval of expenses must be made in writing and submitted through My Learning Plan not later than five (5) work days prior to the commencement of the conference, workshop or seminar. When sufficient time allows, the District will pre-pay workshops taken between September 1 and June 30. Any Bargaining Unit member who is unable to attend a workshop, subsequent to its payment, shall be responsible for reimbursing the District the cost of the workshop.

#### J. DENTAL INSURANCE

The Board shall fund an amount for annual dental benefits for the Bargaining Unit so as to provide coverage for the Association membership. The District's plan will be a program which provides up to 100% basic family coverage for diagnostic and preventative services (such as Coverage A, Northeast Delta Dental) and 80% basic coverage for restorative oral surgery, endodontics, periodontics, denture repair and emergency treatment (such as Coverage B, Northeast Delta Dental Plan).
