

School Administrative Unit No. 80

"Engaging all learners to succeed in their ever changing world"

Serving the Communities of Belmont and Canterbury

Shaker Regional School District

58 School Street

Belmont, NH 03220

Dear Parents,

Thank you for your interest in the Shaker Regional School District's Preschool program. As you are aware, the district is looking for several non-special education children to be enrolled in the program to act as positive peer models. The program will be run as a typical preschool with academic and social content being introduced and explored through a multi-sensory, age appropriate curriculum.

The program enrollment will be either two (2) days (Tuesday and Thursday) or three (3) days (Monday, Wednesday, and Friday). These days are not flexible or changeable. The days are organized in this manner to provide consistency with peers throughout all of the children's preschool experience. The program will run from 8:30 to 11:00 a.m. and 12:15 to 2:45 p.m. Parents are required to provide transportation to and from the program.

In order for your child to be accepted as a candidate for the preschool program, you and your child must attend a **mandatory** screening in the spring; please call Meghan Delisle at 603-267-9222 to schedule an appointment. This screening will allow us to better assess what program/group your child will best fit into should they be chosen to participate.

It is anticipated that the district will receive more applications than there are slots in the program. Should this happen, the district will use a lottery system to choose the students. All parents will be notified of the final decision.

Please feel free to download the application packet, complete and mail to SAU #80, Attention: Student Services, 58 School Street, Belmont, NH 03320, no later than 4:00 p.m., Friday, April 13, 2018.

Sincerely,

Tonyel Mitchell-Berry
