SUICIDE	PRE\	/ENTION	AND	RESP	ONSE
---------	------	---------	------------	------	------

The School Board is committed to protecting the health, safety and welfare of its students and school community. This policy supports federal, state and local efforts to provide education on youth suicide awareness and prevention; to establish methods of prevention, intervention, and response to suicide or suicide attempt ("postvention"); and to promote access to suicide awareness, prevention and postvention resources.

- d) developing or assisting in the development of the annual staff training required under section C of this policy;
- e) Such other duties as referenced in this Policy or as assigned by the Superintendent.
- 2. <u>Building Suicide Prevention Liaison.</u> The Director of Student Services, School Psychologist, Social Worker or School Counselor, or in his/her absence, the building principal, shall be designated as the Building Suicide Prevention Liaison, and shall serve as the in building point-of-contact person when a student is believed to be at an elevated risk for suicide. Employees who have reason to believe a student is at risk of suicide, or is exhibiting risk factors for suicide, shall report that information to the Building Liaison, who shall, immediately or as soon as possible, establish and implement a response plan with the District Suicide Prevention Coordinator.
- C. Annual Staff Training. The Superintendent shall assure that beginning with the 2020-21 school year, all school building faculty and staff, designated volunteers, and any other personnel who have regular contact with students, including contracted personnel or third-party employees, receive at least two hours of training in suicide awareness and prevention. Such training may include such matters as youth suicide risk factors, warning signs, protective factors, intervention, response procedures, referrals, and postvention and local resources.
- D. <u>Dissemination</u>. Student handbooks and the District's website will be updated each year with the contact information for the Building Suicide Prevention Liaison(s), State and community crisis or intervention referral intervention resources. The District Suicide Prevention Plan will be made available on the District's, and each school's respective websites.
