2 **EMERGENCY MEDICAL CARE**

3 In the event of a medical emergency, Emergency Medical Services (EMS) shall be
4 called by school personnel.¹ School staff, to the extent of the staff member's training,
5 shall provide immediate and adequate emergency care for an injured or ill person.

6 If the incident is one involving the use of the school's automated external defibrillator
7 (AED), the school nurse shall report it to the NH Department of Safety.²

8

9 Current emergency information cards, which are signed by a parent or guardian and
10 designate persons to act on their behalf when unavailable, will be kept on file with the
11 school office and in the student's permanent health record.

12 The Superintendent shall publish rules and procedures related to this policy.
